

## HIGH DESERT RUNNERS

# Antelope Valley Summer Cross-Country Series

Meet # 2, Pelona Vista Park, Palmdale, July 2, 2015

Long course, 2.86 miles, 210 finishers

**NOTE** – Due to misdirection by a course monitor early in the race, runners were directed to the inner basin loop and the Rayburn Road hills for the first mile instead of onto the freeway and little south loops. Race officials and volunteers then attempted to redirect runners to run the freeway and little south loops twice in succession for the second and third miles to keep the overall distance approximately the same. Due to lapping and the resulting confusion, some runners ran about 2.9 miles, while others completed only one circuit of the freeway and south loops before heading in to the finish, resulting in a distance run of about 2.1 to 2.2 miles. We do not know who ran what distance, so the results will stand as is.
