

AWARD WINNERS

2018 A.V. SUMMER X/C SERIES FINALS, Aug. 9, 2018

The awards breakout for all age groups in both the 1-mile and 3-mile races at the finals were generally three-deep in each age group, with the following exceptions:

- Where it could be determined in advance that only a few persons in an age group were eligible for potential awards, the number of awards for that age group may have been reduced.
- At the race director's discretion, the number of awards were increased if certain age groups had a large number of participants.
